

The Texas range has a wide variety of sizes including corner sofas, 2 and 3 seater sofas, this range will suit any living room space. Also available is the leather Lift Up chair that will put you in an almost vertical position. So, if you are suffering from mobility-impairing symptoms then these sofas and recliner chairs can improve the quality of life. At the press of a button the chair will slowly push your body forwards and upwards. to enable you to walk right out of your chair.
